Dated: 18.12.2012

In the matter of Appeal filed by Shri Manoj Aggarwal against the
CGRF-TPDDL Order dated 04.06.2012 in CG Appellant
No. 4172/03/12/PPR (C.A. No.60013406388)

Versus

Tata Power Delhi Distribution Ltd.

Respondent

ORDER

Hearing held. Advocate of Appellant does not appear on time. Representative of DISCOM is asked to clarify what is the nature of 'public resistance on site' mentioned in the CGRF order and in DISCOM's comments on appeal.

It appears from the photographs in the CGRF file that the Appellant has extended his construction in a way to encompass/surround the pole, which he now wants shifted. It appears the matter is not one of shifting of pole but of unauthorized construction and danger of fire and electrocution. The CGRF should have declined to intervene and the DISCOM should have taken up the issue with the MCD, Police and SDM concerned under the relevant Acts/Regulations.

Appeal is dismissed as having no merit and DISCOM is directed to take action as per the Act and Regulations to ensure the safety of their infrastructure and of the public with specific reference to the provisions of part XIV of the Electricity Act, 2003, as applicable "
